

# THE ROTARY CLUB OF TROUTMAN MILES FOR MATT 5K RUN AND WALK

Troutman ESC Park—June 1, 2019

The Miles for Matt 5K Run and Walk is held every year by the Rotary Club of Troutman in memory of 14 year old Matthew Bailey of Troutman. Matt was diagnosed with a very rare, extremely aggressive brain cancer. He started intensive chemotherapy and radiation treatments to battle this disease and the inaugural race helped raise funds for his fight. Sadly, Matt lost his fight in 2014. The race continues on in his honor and raises funds for a scholarship established in his name that is awarded to a student at South Iredell High School each year.

**The Miles for Matt Run and Walk will start and finish at Troutman ESC Park located at 338 North Avenue, Troutman, NC. The Park is located behind Town Hall.**

Participants may register using the registration form below or register online at RacesOnline.com (search Miles for Matt) or in person the morning of the event. Runners and walkers who **preregister** by May 28 will receive a race t-shirt. Runners and walkers who register **after** May 28 will receive a race t-shirt on a first serve basis.

**Registration is \$25.00 in advance or \$30.00 at the event. Registration and packet pick-up will start at 7AM.**

**Awards will be provided to the top 3 male and female runners and awards will also be provided to the top runners in various age groups.**

*Race and walk start at 8AM and an Awards Ceremony will follow the completion of the race and walk.*
